

TADEO. Design: EOOS.

As dignified as an altar. Tadeo showcases the table as a place for the rituals of being together with family and friends, for a meal or to work. The masterly table top sturdily rests on the recessed base. A picture of powerful aesthetics with reserved elegance. An interpretation of the archaic nature of material and stability.

Table top

Solid wood with cross-wise grain:
- oak white pigmented, oiled (.10wo).
- oak fumed, oiled (.13wo).
- oak burned, oiled (.14wo).
- nutwood with sapwood inclusions, oiled (.99wo).

Top thickness: 46 mm (including raised edge).

Available in two depths (100 cm and 125 cm).

Some tables are available with extended mechanism.

Extension leaf: same material as table top, veneered cross-wise.

Base

Table legs in solid wood:
- oak white pigmented, oiled (.10wo).
- oak fumed, oiled (.13wo).
- oak burned, oiled (.14wo).
- nutwood with sapwood inclusions, oiled (.99wo).

Panel legs: aluminium powder-coated bronze matt or powder-coated black matt.

Glides

Table legs and panel legs fitted with synthetic glides.

Mechanism

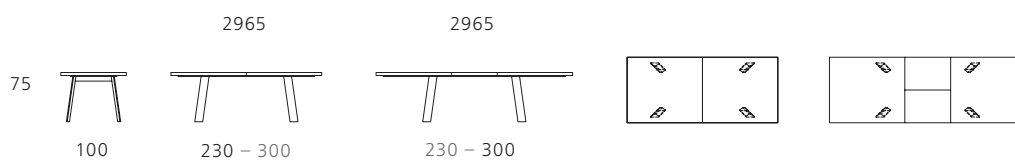

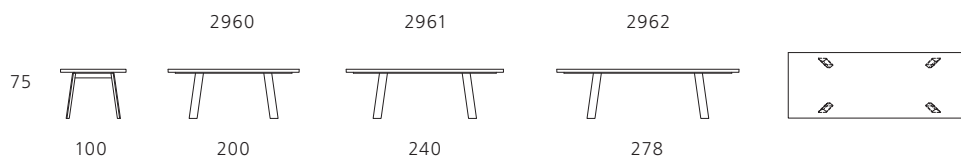

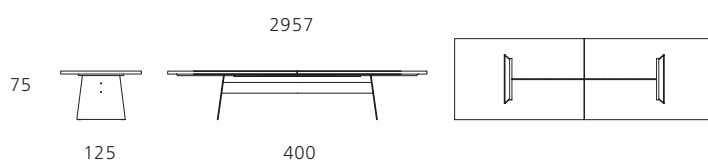

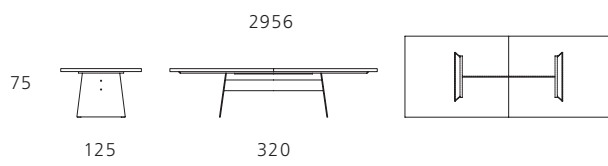

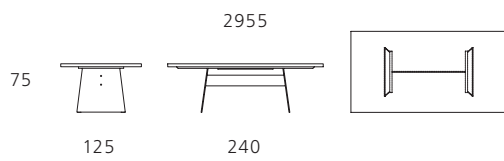

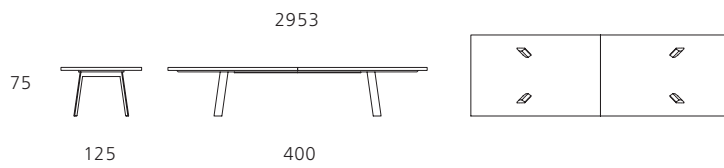

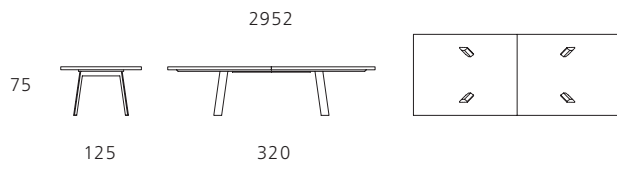

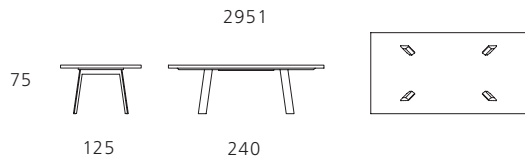

- When the two main leaves are pulled apart, the integrated leaf becomes visible.
- Pull out the leaf using the recessed grip and open it out.
- Then push the two main leaves together again.
- The leaves close softly and gently as if helped by an invisible hand. The mechanical softclosing action takes care of this.

Notice

Please note that the colour of solid wood is changing slightly under the influence of sunlight. If the table top is exposed to the sunlight more frequent than the additional table extension slight colour differences could result.
