

## GRAND SUITE. Design: EOOS.

---

The true luxury of living. Grand Suite makes a statement about what is precious and private. Designed with the true values of the culture of living. Precise lines, honest craftsmanship, fine materials. Personal and prestigious – with the aesthetics of something special. The spacious, soft cushions ensure that special comfort. The horizontal line of the upholstery flows into armrest and board. Best saddle leather, elaborately finished seams – the perfect union of sense and sensibility. Pure elegance for what really is precious – your private life.

### Product description

---

#### Frame

**Frame:**

Wooden construction.  
Base: beech painted black.

**Armrest:**

Wooden construction.  
Elements in leather Saddle: metal construction.

---

#### Upholstery

**Seat cushion:**

Seat elements, each placed on joint base, consisting of wooden base with cutout and strapping.

Notice: The visibility of ticking chambers is a feature of quality for this version.

Version 2 (formal look): cold cure core sandwich construction with an outer layer of wadding.

**Back:** Cold cure foam with an outer layer of wadding.

**Back cushions:** Ticking sewn into chambers with down filling.

---

#### Glides

Fitted with stoppers to avoid sliding.

Upholstered seat 950-H1:

Self-braking castors for hard and soft floors.

---

#### Versions

This modular sofa programme consists of a corner sofa and different middle and end elements.

The elements can be combined to various corner sofa modules, sofas or récamières.

---

#### Ordering notes

**Corner sofa variations:**

1. First, choose the left end element.
2. Then choose the middle elements and the corner element from left to right.
3. Finally, choose the right end element.

**Sofas and récamières:**

1. First, choose the left end element.
2. Then choose either any middle element(s) and corner element.
3. Finish with the right end element.

Further information about the configurations please see the following pages.
